Direct flights to Apatity

Apatity is a small town but it has the airport connected with Moscow (Domodedovo and Sheremetyevo airports) and St. Petersburg. The flights are operated by Severstal-Avia, <http://severstal-avia.ru/en>).

The flight from Moscow/St. Petersburg takes about 2.5/2 hours and costs about 130/110 USD one way; the return cost is twice of that. The LOC will arrange your transfer from the airport.

Arriving via Murmansk

For someone it might be more convenient to fly to Murmansk and then use ground transfer to Apatity. Murmansk has more frequent connections with Moscow and St. Petersburg. You may be able to buy a connection ticket from your place to Murmansk if you use Aeroflot or its partner carriers (SkyTeam Alliance). From Murmansk airport to Apatity: It is possible to go by a mini-van or usual taxi, which takes 2.5 to 3 hours and costs about 3500 to 4500 RUR (60 to 75 USD) per vehicle (from 1 up to 5-6 persons).
